

**THE ATLANTA JOURNAL-CONSTITUTION NAMES ADVOCATE
A WINNER OF THE ATLANTA METRO AREA 2018 TOP WORKPLACES AWARD**

Norcross, GA, March 7, 2018 – Advocate has been awarded a 2018 [Top Workplaces](#) honor by The Atlanta Journal-Constitution. [Advocate](#), an IT consultancy that partners with its clients to optimize and transform their technology investments, is proud to be recognized for the loyalty and affection of its employees.

The Top Workplaces lists are based solely on employee feedback gathered through a third-party survey administered by research partner [Energage](#), LLC (formerly WorkplaceDynamics), a leading provider of technology-based employee engagement tools. The anonymous survey measures several aspects of workplace culture, including alignment, execution, and connection, just to name a few.

“Top Workplaces is more than just recognition,” said [Doug Claffey](#), CEO of Energage. “Our research shows organizations that earn the award attract better talent, experience lower turnover, and are better equipped to deliver bottom-line results. Their leaders prioritize and carefully craft a healthy workplace culture that supports employee engagement.”

Tim Wise, President and Co-Founder of Advocate, commented “It is incredibly rewarding to be included on The Atlanta Journal-Constitution’s Top Workplaces list for the second consecutive year, particularly given it’s a direct result of employee feedback. The results speak to Advocate’s commitment to hiring great people and providing them with an environment where they can grow in their careers and have a lot of fun along the way. Our reward can be measured by happy employees, satisfied clients and the bottom line.”
