

Regional Sales Vice President

Who We Are

Advocate is an advisory and managed services company of IT business experts and data scientists dedicated to helping companies optimize their technology infrastructure. Utilizing marketplace intelligence, decision analytics, and acceleration capabilities, Advocate partners with its clients in innovative ways to save money, improve performance and deliver crucial insight to help them make the best possible decisions related to their technology investments. That's why we work, Smarter. Together.

Who You Are

A self-motivated and innovative 'hunter' who thrives on identifying new prospects and taking them through to a sale. You have a strong sales process and take a [data-driven](#) approach to drive value for your customers. You ask a lot of good, tough, timely questions and can hold meaningful business conversations based on financial outcomes. A continuous learner, you seek to understand your market and the business financial outcomes of the services you are offering.

The Role

This position is responsible for identifying and closing new business within the East Coast territory that results in an increase in our overall business within the Advisory Services, Managed Services, and Insider Marketplace practices. The role includes the development of a partner eco-system that provides referrals and lead generation activities. The goal is to cultivate new clients for new projects and build the brand and visibility of Advocate in the region. The typical buyers of our services in the enterprise include CIOs, technology executives, and others in the finance and procurement organizations. Our ideal target markets include public and private enterprises with \$1-\$20B in revenue and 3k+ employees.
